Dear Mark

Now that we have settled in to our new premises I am writing to say a big thank you for all the hard work you put in on our behalf.

Not only did you deal expertly with the vendor's agents and so help us obtain what I believe to be first-class terms, but without your professionalism, enthusiasm and optimism I'm sure we would still be looking.

You also wore-out quite a bit of shoe leather, although we did eventually persuade you to stop off for a coffee, as you arranged and guided is through the numerous property visits we made.

A good job well done.

With kind regards and best wishes
