**TO WHOM IT MAY CONCERN**

Andrews Denford and Boyd have acted for the Company over a number of years in the search for suitable office premises and, following a successful search, have always negotiated excellent terms with our landlords regarding both the lease and rental levels. On all occasions they have acted professionally with speed and efficiency, both with ourselves and our solicitor.

We have no hesitation in recommending their services.

Yours faithfully,

**PFC Begg**  
Company Secretary and Solicitor
